

# Become a Corporate Collector

The process is simple:

Become a Corporate Collector to support local animals and our community. Your donations help stock our charity shops, raise funds, and provide affordable shopping options for those in need. Plus, it encourages recycling for a better planet.

## 1 First Collection

We agree on a date for your first collection

## 3 Bring a treat to work

Anyone who does not have items to donate will be invited to 'bring a treat to work' - donating a tube of Primula or a bag of Dreamies to help us treat and train our rescue pets

## 5 Agree on another date

We agree on another date (suggested to run once a quarter but more/less if needed)

## Gift Aid

We will provide Gift Aid forms so any tax payers can sign a declaration making their donations worth an extra 25p in every £1 at no extra cost to them (more pounds for pets!)

## 2 Bring in unwanted clothes

Invite your team to have a clear out and bring their good-quality unwanted clothes, bric-a-brac etc to work on your selected day

## 4 Collect donations

We come and collect your donations with our van and say a huge thank you!

## 6 Promotional Assets

We will provide a poster and other assets promoting the initiative
