

**Suffolk Central Branch**

Registered Charity No.206269

## Could you be an RSPCA Trustee?

We are seeking a Finance Trustee and  
a Veterinary / Animal Behaviour Trustee

Are you passionate about animal welfare?  
Do you have professional experience that could help shape a local charity?

Here at RSPCA Suffolk Central it is our vision to live in a world where all animals are respected and treated with compassion. As a trustee you will have the chance to influence how we care for and prevent cruelty to animals in our county. Could you join us?

# We need your help...

RSPCA Suffolk Central is seeking new trustees to join its experienced and passionate Board. We welcome applications from anyone who has the desire to make a difference to animals in our county.

We are particularly keen to hear from those who have experience in one of the following areas:

**Finance / Investments**  
**Veterinary / Animal Behaviour**

Trustees are incredible volunteers and play an essential role in helping us carry out our vital animal welfare work every day by managing the affairs of your local RSPCA Branch to promote and provide animal welfare within the branch area.

Being a Trustee is an excellent opportunity to give back and gain skills and experience. As a Trustee of an independent local charity, you'll have the chance to influence our strategy and development at a time that sees significant growth for us following a recent merger.

We meet once a month on a Wednesday evening, currently virtually, and have opportunities to be involved in additional projects and committees if you wish. You'll need to be committed to ensuring good governance, give some time to read papers prior to meetings and keep up-to-date with correspondence about important matters. We would also love to see you at the animal centre in Martlesham from time to time so you can experience the branch in action and witness first hand how your support helps animals in need.

If you think you can help we'd love to hear from you.
